

# **2019 Colour Belt Classic Friendship Tournament**

## **Information Package**

Hello,

I am pleased to invite you to the 2019 Colour Belt Classic Friendship Tournament in Ottawa on April 27, 2019.

This is an open event designed to bring together various schools, regardless of affiliation. The tournament itself will focus exclusively on colour belts, giving them a world-class experience usually reserved only for black belts. The event will be professionally run and enjoyable for all students and parents – just ask those who attended last year! We will have individual patterns and sparring events, an obstacle course competition for 4-6 year olds, special needs patterns division and an Individual Chon-Ji Challenge Division which will mix up all students regardless of age or colour belt with ONE Grand Champion – this was by far the most popular division last year. We will also be repeating our individual board breaking challenge event from last year, as well as our every exciting Tag Team Sparring event, which was a huge success last year.

All registration for all events will be done online: <http://tkd-events.com/Events/upcoming-events/edgetkd/165-2019-colour-belt-classic>

The early bird registration will close on February 28, 2019, and the final deadline for registration is April 13, 2019. Please note that registration closed 6 weeks prior to the deadline last year given the overwhelming interest. Once the registration is closed, we will send all instructors and competitors the list of the divisions and assigned competition trees so you and your students can see whom they will compete with prior to the tournament.

If you have any questions, comments or concerns, please contact me directly at [edge@edgetaekwondo.com](mailto:edge@edgetaekwondo.com) and I will be pleased to speak with you.

Sincerely,

Joel Denis

## **2019 COLOUR BELT CLASSIC - DETAILS**

### **REGISTRATION**

All participants must pre-register. Early bird registration ends on February 28, 2019 with full registration ending April 13, 2019. All registration must be completed online at: <http://tkd-events.com>

### **LOCATION**

Almonte Community Centre – 182 Bridge Street Almonte, Ottawa, Ontario.

### **EVENTS**

#### **Individuals Patterns:**

Individual pattern competition is open to all ages and colour belt levels. It will consist of single elimination. Competitors will compete 2 X 2 and will perform one pattern per round. Competitors may perform the pattern of their current rank or one below (regardless of which pattern is performed, competitors must register in the division of their current rank). Each competitor will be judged based on their: precision, power, balance, breath control and rhythm.

#### **Individual Chon-Ji Challenge:**

The Chon-Ji Division will mix up all individual students, regardless of rank and age to crown one overall Chon-Ji Grand Champion – every competitor will perform Chon-Ji regardless of rank.

#### **Individual Sparring:**

Individual sparring competition is open to all ages and colour belt levels. It will consist of single elimination. Competitors will compete 2 X 2. All rounds will be continuous sparring of 1.5 minutes each – including the final.

#### **Tag Team Sparring:**

A black belt will captain a team of three colour belts. One initial colour belt will spar for 45 seconds, tagging out to one of the other two colour belt team members who will then spar for 45 seconds, before tagging out to the final team member who will do the same. Following all three colour belt competitors, a final round of sparring will occur for 45 seconds where the black belt captains will spar each other. The team with the total combined points over the full three minutes of sparring, will be the winner – **please note that black belts will only ever spar the black belt of the other team.**

\*\*\*Hand, foot, head protection and mouth guards are mandatory for all competitors. Groin protection for all male competitors (must be worn under the uniform)\*\*\*

**\*\*\*Failure to have all of the above listed equipment when the competitor's name is called in the ring will result in immediate disqualification\*\*\***

#### **Obstacle Course:**

This event is open to participants 6 years of age or under. In this event, participants will race the clock as they perform various basic techniques (punches, front kick, hammer kick, etc.) and physical drills (crawling, running, jumping over obstacles, etc.).

**Special Needs Patterns Exhibition Division**

This exciting division will allow special needs students to demonstrate their patterns in a round robin format. Divisions will be based on belt level, age and number of participants that register for this event.

**Breaking Challenge Division**

This exciting event allows each competitor to compete against themselves. Combining power breaking with speed, competitors have 30 seconds to complete three techniques: side kick, front kick, and downward hand technique. Break all 3 techniques to win a gold, 2 techniques to win a silver or 1 technique to win a bronze. Every competitor can win a medal in the Breaking Challenge.
